

Beyond Teaching in English: Creating Engaging and Confidence-Building EMI Classrooms

SPEAKER

Prof. Chih-Hui Chang

Da-Yeh University

Associate Professor, Department of English

EMI EXPERIENCE

01 Curriculum Design & Strategy

Develops EMI and ELT curricula that connect learning materials with student motivation and language-learning strategies.

02 Institutional Leadership

Former Director of the International Language Center and Dean of the International Affairs Office; advances internationalization and campus English proficiency benchmarks.

03 Bilingual Outreach & Training

Coordinates multicultural camps and bilingual university-school partnerships to create natural English-learning environments in the local community.

Making Thinking Visible in My EMI Classrooms

**SPEAKER**

Prof. Li-Yun Chang (Wendy)

National Taiwan Normal University

Deputy Chair, Department of Chinese as a Second Language

EMI EXPERIENCE

Curriculum Innovation

Combines flipped-classroom and visible thinking strategies to teach complex subjects entirely in English.

Assessment Frameworks

Uses Three-Cycle Assessment—as, for, and of learning—to help students monitor comprehension and bridge second-language learning gaps in bilingual classrooms.

Faculty Enhancement

Shares teaching experiences and practical strategies used with students.
